

**News from Napili Kai
Foundation
February 2011**

**Napili Kai Foundation
J.C. Millar Memorial
Scholarship**

It's that time of year when students are busy filling out scholarship applications. Applications for the J.C. Millar Memorial Scholarship are now available.

Thanks Napili Kai, Ltd.

The Foundation thanks Napili Kai for the complimentary Sea House Caesar salad coupons that are given out at the end of our shows. This is part of our "cross promotion" between the Foundation and Napili Kai and encourages a "stay after the show" to experience and enjoy the Sea House Restaurant. This is especially appealing to those guests staying on the bay.

**Shareholder Week (2010)
Raffle**

The annual shareholder/owner raffle was held during the Napili Kai 50th Anniversary Shareholder Week. What a terrific success it was! Many, many thanks to the shareholders, owners, and guests who participated in this fun event.

The excitement was heightened

when Chuck Barnum, a shareholder and also a director of the Foundation, challenged the shareholders in attendance, to continue to purchase tickets and he would "match" the funds raised. With such incredible generosity, the raffle raised a total of \$20,600.00 for our scholarship fund!!

The prizes this year were: a stay in a Puna II condo for one week, donated by Fred and Bettye Betts; Maui Jim's Fishing Boat adventure for 10; Halekulani Hotel (Honolulu), two-night stay for two; Hotel Lanai, one night stay for two, including golf for two at the Challenge at Manele; and Kona Village, two night stay for two, meals included.

The winners were: Puna II condo, Sam Mendes; Maui Jim Fishing Boat, Chuck Barnum; Halekulani Hotel, Linda Hogg; Hotel Lanai and golf, Kim Cagel; and Kona Village, R. Cox. Last minute donations from the Gazebo restaurant and Waterfront restaurant were won by Peggy Ensign and Dorothy Kirkwood.

We sincerely thank all those who purchased tickets, we congratulate all the winners, and we thank all who donated raffle prizes to this year's event.

Awards

The Perna Foundation for Hope has graciously awarded the Foundation a second \$5,000 scholarship. We sincerely thank Tina Woodward and Lynda (Slutman) Elliott for their continued support.

Long Range Planning Meeting

The Foundation has just completed our annual long range planning meeting. With all directors in attendance (Lou Ross, Janice Studwell, Jim Shefte,

Barbie Dofa, Fred Betts, Chuck Barnum, Natalie Naleieha, Lisa Nelson, Deborah Mahuna and Kumu Kathy Ralar), this is an excellent opportunity to review our goals and objectives, including our investment strategies and fundraising and grant opportunities.

New NKF T-Shirts

Thanks to Lisa Nelson, we now have new Foundation t-shirts, which made their debut during shareholder week. At that time we had one color, but since then have added some exciting colors to choose from. The shirts are sold during our Tuesday show.

**New "Hot Button Logo" on
Napili Kai Website**

Check out our new Foundation logo "hot button" on the Napili Kai website home page. Thanks to Di Christofferson, and Diane Farnsworth, visitors to the website can now click on the Foundation logo and be directed to our website.

We look forward to seeing you at our Tuesday shows. We hope you enjoy our new costumes, our keiki are very excited to perform and share the culture of Hawaii with you. We look forward to a great 2011.
