### Shareholder/Owner Raffle

This annual fundraiser was again a wonderful success thanks to our most generous shareholders and owners. The contributions totaled \$8,100, with an additional \$200 in sales of Foundation t-shirts, and DVDs.

The prize winners were:

Na Hoku Dinner for four was won by Eileen and David Hillson, owners at Puna II; the Two Rounds of Golf at Kapalua was won by Mable Cole; and the Puna II Condo was won by Sam and Susan Mendes.

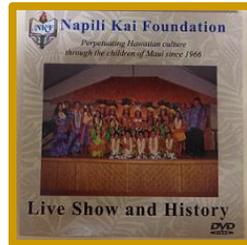

Maui Jim donated a pair of sunglasses, won by Patra Dunn; and a beautiful framed drawing of the Bay Course at Kapalua, belonging to Bill Steinmetz and donated by his daughter, Ann, was won by Sue Cox.

Two Foundation alumni attended the morning coffee and spoke about the importance of the Foundation and the scholarship program. Michael Akiona, son of Lorene Akiona, spoke about his EMT Certification and continued education plans, and Dominique Laborte,

daughter of Yvette Laborte, spoke about her degree in Athletic Training and her current work experience. Both graduates impressed those in attendance with their poise, intelligence, and maturity. They made us all proud.

Sincerest thanks to all who contributed to the fundraiser, including those shareholders not in attendance who participated long distance.

### NK Foundation DVD

The first ever Napili Kai Foundation DVD is now available for purchase at the show on Tuesday evening, at Makai Hale (room charge) or through the website. Check out short snippets of the DVD on the website as well. The DVD was produced free of charge to the Foundation by local producer, David Barry. Please help support the Foundation with this wonderful video of our keiki and the weekly show.

### Napili Bay Sunset Poster

Also available at the weekly Tuesday night show or online through the Foundation website is the beautiful sunset

poster of Napili Bay that now serves as the background of the stage in the Pavilion. A wonderful gift or memory for yourself, and easy to carry home, or have mailed!

The DVD and poster are also available for sale at Makai Hale.

### Web Site

It is finally complete and now accepting donations and sales of DVDs and posters online through Pay Pal. Please check it out at: [www.napilikaifoundation.org](http://www.napilikaifoundation.org)

### The Show

The Foundation membership now stands at 44, with 16 boys (more than ever!). It was pretty exciting to see the stage filled during the shareholder week show, and the keiki showed off with their best performance.

A sincere Mahalo to our shareholders, owners, management and staff for the continued support of the Foundation. It is more important than ever, as the Foundation nears its 50th year!

May each of you and your families be blessed with a happy and healthy holiday season.

Mahalo a nui loa,
